

Good morning parents!

Happy Summer! Congratulations on completing another school year. Even though we are still operating under some restrictions we hope that you as a family can find ways enjoy the summer with one another.

Today we are starting a new series on Psalm 119. Through this series kids will be reminded of the importance of God's Word in our life. The scriptures tell us of God's good news, they give us wisdom, give us encouragement, bring us joy, give us peace and direct our path. Hopefully you and your kids will be encouraged to continue or start a new habit of reading the Bible regularly. As we read, we get to know God's heart and how he wants us to live our lives. May you and your family grow and be blessed as you dig into God's word.

We find it a great joy to serve your family and to walk alongside you. We are here if you are in need of prayer or support. Or if you know of another family in need of support, please let us know how we can be of help. Don't hesitate to reach out!

#### **Worship Suggestions**

During worship encourage your kids to sing, follow along with the actions, have a dance party or just listen and think about what the words say who Jesus is and who we are to him. All of these are ways that we can express our joy and love for God.

#### **Bible Story Suggestions – Psalm 119: Delighting in Right Living (Psalm 119:9-16; Daniel 5)**

Parent Recap: The psalmist delights in God's Word, storing it in his heart so he won't sin against God. When King Belshazzar is sinning against God, God sends a finger to write God's judgement on the wall. Daniel, who knows God's Word, is able to discern what the writing on the wall means about the king's sinful behaviour.
