

Good morning parents!

We are in the final week of our series on Psalm 23. Through this series we have been learning what it looks like to have Jesus as our Shepherd. Kids have been reminded that God guides us, that God gives us rest, and he is with us in the hard times. Today we will learn that God blesses us.

This school year has not been the easiest and we have missed seeing you and your kids on a regular basis. However, we know that God has been working in your lives and your children's lives during this time. We pray that you and your family will find great joy, peace, and hope as you reflect on the ways that God has blessed you. We pray for a good end to the school year and a good start to the summer!

We find it a great joy to serve your family and to walk alongside you. We are here if you are in need of prayer or support. Or if you know of another family in need of support, please let us know how we can be of help. Don't hesitate to reach out!

Through the Week

- Count your blessings...literally!
- Draw a large cup on a piece of paper.
- Write the numbers 1 through 20 inside the cup outline.
- Throughout the week, pay attention to God's blessings. When you find one, write it next to a number.
- See if you can overflow the cup by the end of the week. When you've filled in all 20 spaces, write blessings around the cup!
